New Garden Pavilion
Rental Rules and Regulations

The construction of New Garden Township Park was a long time dream of the Board of Supervisor which finally became reality in 1998. Since that time the Supervisors have had the Park maintained to high standards with constant refinements and improvements. The maintenance of the park is a huge undertaking each year and very expensive. Because of this effort the Township takes great pride in the park.

Use of the Park Pavilions is increasingly in demand. With the demand the requirement for maintenance has increased. In order to prevent the abuse of the Pavilions and the grounds the following Rules and Regulations must be agreed to and followed:

1. All reservations are on a first-come-first served basis.
2. The Township reserves the right to cancel any reservation in the event of a Township function or event.
3. Rental fee for the Pavilions is $60.00.
4. Rental fees for municipal organizations may be waived.
5. A refundable $100.00 deposit for each reservation is charged to guarantee that the pavilion and the area surrounding the Pavilion are neat and orderly. If after inspection, it is determined that trash was not properly deposited or it will require clean up by the Township, beyond emptying the trash receptacles, the deposit will be forfeited and used to defray the cost of maintenance.
6. Rental of Pavilions must be done in person at the Municipal building Mondays through Fridays between the hours of 9:00AM and 4:00 PM.
7. Alcoholic beverages are not permitted at the Pavilions or anywhere on Park grounds.
8. Music and other activities at the Pavilions must be at all times tasteful and not disruptive to the other Park users.
9. Failure to follow the Rules and Regulations may result in denial of future use of the Pavilions.

I have read and understand the Rules and Regulations.
