

New Garden Township Open Space Review Board met **Tuesday, August 21, 2012** at the Township Building. Present were Vice Chairman Gary Bell, Rich Chadwick, Don Peters, Christopher Robinson, and Mary Sproat. Chairman Bernie is in Maine, the lucky duck!

The minutes of the last meeting were approved as circulated.

Treasurer - Gary reported that the savings account has been closed because of low interest, and added to the checking account. The balances as of July 31, 2012 are as follows: loan account \$1,999,420.84, checking account \$1,358,719.25, total \$3,358,140.09.

Grants - Don has heard nothing from the Dockstader Foundation. He has reviewed other sources of income for trails, and especially bridges, and demolition of buildings. He has yet to find a source for demolition funds.

Trail update - There is now a second door on the kiosk at the Mill Race Trail; Rich gave the bill to Gary to turn in to Lew Gay. The map is nearly finished. Dirk Robinson cleared some of the vine growth, and the website has been updated. Don displayed some designs for brochure boxes. We decided on the ones made of hard, clear plastic for \$9.99 each; we need two. The approval was unanimous.

The public meeting adjourned at 7:35 P. M. and the Board moved to Executive Session.
