

New Garden Flying Field Highlights

Jon Martin

We opened the bids for the **Hangar and Runway Reconstruction Projects**. Both projects are State Grant Funded Projects so construction start dates largely depend on these agency's funding schedules, but we are planning on projects to start this summer. For more information on either the hangar or runway projects and their operational impact on the airport please contact Aviation Director, Jonathan Martin at 610-268-2619.

The Future Aviators Summer Camp will be July 6-10 and August 10-14. Last year we had 130 campers attend throughout the summer and we are planning for another well attended camp this year. There are still a few spots left so if you have a youngster between the ages of 7-15. Check out www.newgardenflyingfield.com for more information on this unique summer camp program.

New Garden Festival of Flight Air and Car Show is scheduled for August 22-23. This unique and innovative event builds on the success of past New Garden air shows. For 2015, the event continues to grow and include more aircraft and air show performers, vintage automobile and motorcycle displays, and great family entertainment, with multiple food and beverage vendors.

The Festival of Flight will be the 44th air show at New Garden Flying Field, New Garden Township. Past air shows have attracted 5,000 to 10,000 people from the region—people interested in aircraft, WWII history, automobile and motorcycle enthusiasts, or those just looking for a great day out in beautiful Chester County. This year, in light of extended aerobatic performances and the ground-based attractions, we anticipate increased participation. Please make plans to come out and enjoy the day(s) on August 22-23. Tickets are available online at www.newgardenflyingfield.com or in the airport office.

LEARN TO FLY- Have you ever thought about what it was like to fly? Visit New Garden Flight Connection at the airport and schedule a Discovery Flight. This is a beautiful time to see New Garden Township and Chester County from the air. Consider giving the gift or flight to that someone special or making your own dream come true. Gift certificates are available for any

occasion. For more information please visit New Garden Flight Connection online at www.newgardenflightconnection.com.
