Suzanne Geouque

Are you fascinated by science? Have you ever seen a rocket launch? Do you want to see different reptiles up close? Do you enjoy learning about and petting animals? Does magic exist? If the answer to these questions is yes, you and your family will not want to miss our Summer Family Fun Nights at New Garden Park!

Our activities take place on Tuesday nights from June 28th through August 9th in the large pavilion at the back of the Park. All events start at 7PM. Bring a blanket or chairs and relax with your family while being entertained by the variety of shows we have planned for this summer. The events are offered to the community by New Garden Township and are free to the public!
